WHY US?

مزیت های رقابتی

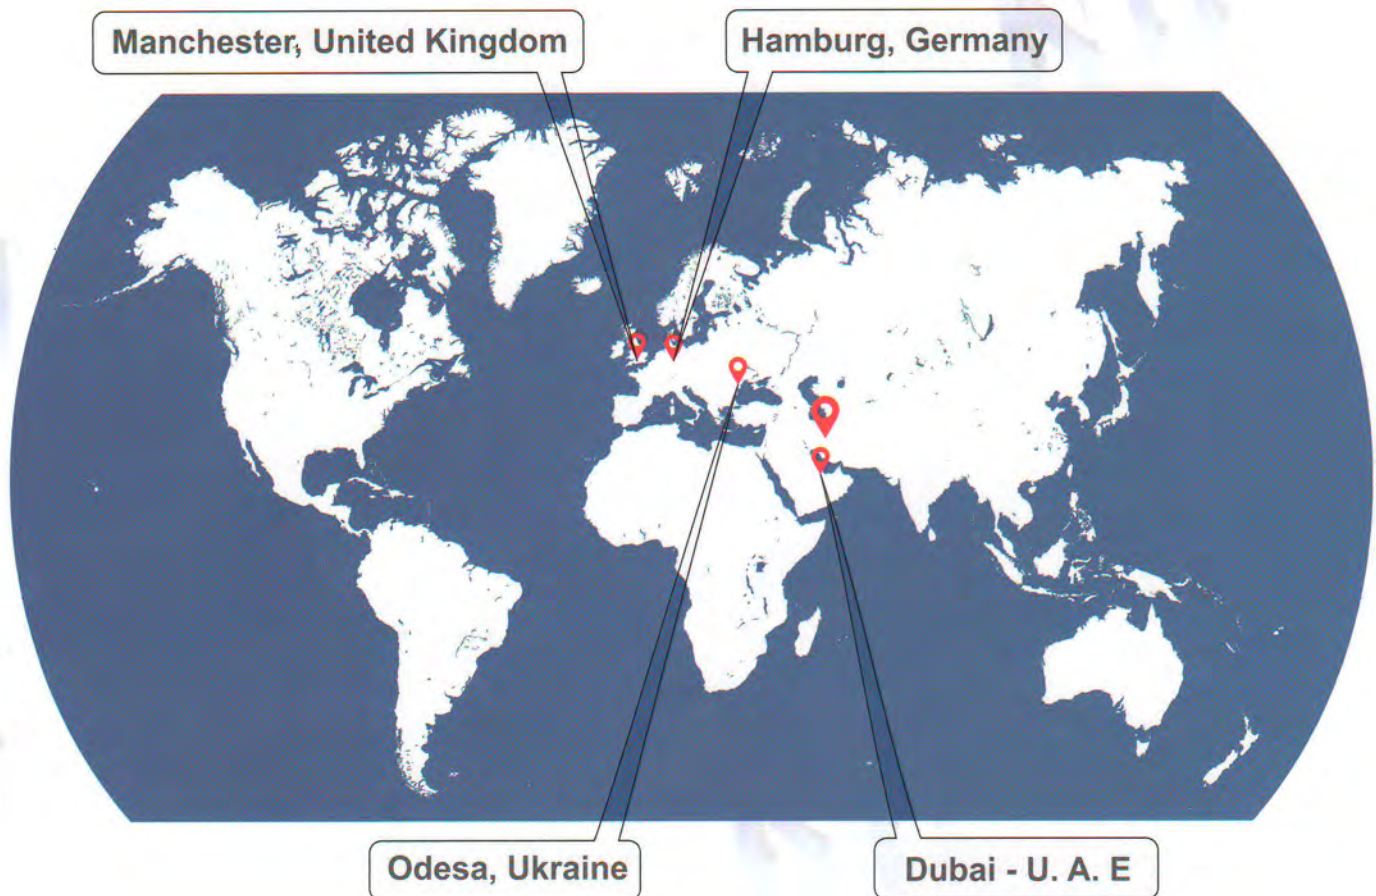

- دارا بودن ۴ دفتر فعال در خارج از کشور
- امکان تامین و تهیه تجهیزات بطور ویژه از کشورها و سازندگانی که به علت تحریم ها مشکلاتی در تعامل و ارتباط با آنها وجود دارد.
- امکان تامین کالا با فاینانس
- داشتن ارتباط مستقیم با سازندگان و حذف واسطه های خرید و ارائه قیمت های مناسب و رقابتی
- امکان ارائه گزارش بازرسی در حین ساخت و قبل از حمل
- امکان تبادلات مالی با کلیه ارزها در داخل و خارج از کشور، حتی BANK OF KUNLUN

Competitive advantages of KTP

- Have four active offices abroad.
- Able to supply and provide equipments in particular from countries and manufacturers which it is hard to get in contact with them directly because of sanctions.
- Able to provide equipments with financing.
- To be contact with manufacturers directly and to eliminate brokers and offer competitive prices.
- Able to submit third party inspection (TPI) report in production process and prior to shipment.
- The possibility of transactions with all currencies in Iran and abroad even BANK OF KUNLUN in China.
